SUMMARY

Biotech graduate with ITRI lab experience and years of multicultural event planning, operations, and communication across Korean, English, and Mandarin.

EDUCATION

National Yang Ming Chiao Tung University Graduated in December 2025
B.S. in Biological Science and Technology *Hsinchu city, Taiwan*

- **Relevant Coursework:** Seminar — reviewed an English academic paper related to Neurobiology and delivered structured oral presentations on complex scientific content.

WORK EXPERIENCE

ITRI Industrial Technology Research Institute October 2024 - April 2025
Intern *Hsinchu county, Taiwan*

- Supported daily lab operations, including environment organization and assisting colleagues with experimental tasks to maintain stable research workflows.
- Executed technical experiments in haptic feedback and microfluidic systems focused on precision and accuracy.
- Reviewed and compared thermoplastic microfluidic bonding techniques, recommending laser welding as the optimal sealing method for TPU devices, and delivered a structured presentation to support team decision-making.

Korean language tutor September 2022 - December 2025
Freelance *Hsinchu City, Taiwan*

- over 3 years of 1:1 tutoring experience, consistently identifying individual learner needs and adapting my approach in real time to help students achieve their goals.
- Designed a four-stage learning framework (review, grammar input, applied conversation, and writing reinforcement) advancing students from TOPIK Level 2 to Level 4.

LEADERSHIP & OPERATION EXPERIENCES

International Students Association 2021-2025
Event Planning team member | Event Team Leader | Vice President *NYCU*

- Progressed from member to Vice President and Event Team Leader over 4 years.
- Created digital content using Canva and managed participant communications to enhance engagement.
- Led the planning and execution of cross-cultural events, including a cultural seminar for 100+ participants in collaboration with Chalmers International Taiwan Office (CITO).
- Scaled Running Crew participation from 10 to 30 members by adjusting session scheduling and improving accessibility.
- Conceptualized and launched “Culture Sharing Classes,” establishing it as a recurring monthly program featuring different countries.
- Coordinated schedules and task assignment across departments, delivering approximately 8 events per year on time and within budget.

SKILLS

Languages Korean, English, Chinese

- TOEIC 880, TOCFL B2 level.

Tools Google Analytics 4 (Certified), Hubspot inbound marketing(certified), Canva, Excel

- Instagram management, Email & LINE communication, Scientific literature review
